

The Barlow Foundation

COMMUNITY CHALLENGE 2017

Oct. 7-20 • Making Your Cause Our Cause

HUBBARD COMMUNITY MEDICAL CENTER

Pride in our Community, **Pride** in our Heritage, **Pride** in our future

Great News! The Barlow Family Foundation, a philanthropic arm of Iowa Falls State Bank, has selected Hubbard Community Medical Center (HCMC) to participate in their 2017 Community Challenge. From October 7 through October 20, 2017, all qualified donations made to Hubbard Community Medical Center will result in matching money up to a certain amount from the Barlow Family Foundation.

Qualified donations to HCMC must be between \$25 and \$100 per person. If you would like to donate in the name of several people, you may write one check, however you need to submit a separate donation slip for each individual contributor. The Barlow Family Foundation will match your donations dollar for dollar up to \$100 per donor. This is a great way to double your donation to the new Hubbard Medical Center.

All donated funds will be used to construct a new Medical Center Building to replace the current facility that was opened more than 50 years ago and does not meet the updated building codes for newly-constructed medical facilities. We are hoping to raise an additional \$125,000 to allow us to reach our fundraising goal and to begin the construction phase as soon as possible.

Checks must be made payable to Hubbard Community Medical Center or HCMC. You may mail or drop your donation off at the Iowa Falls State Bank.

Remember, donations must be in our account by October 20th or they will not be matched.

Thank you for your continued support! It is with your help that Hubbard Community Medical Center can continue to provide health care to all in our surrounding area.

Let's make this dream a reality!

PLEASE JOIN US FOR A PORK LOIN DINNER - FREE WILL DONATION ON SUN., OCT 8TH 11:30-1:00 PM

Sincerely,
Hubbard Community Medical Center Board & Fundraising Committee
